NEXT STEPS:
ACCESSING SERVICES THROUGH THE NORTH DAKOTA MEDICAID 1915(i) STATE PLAN AMENDMENT

Now that you are eligible for 1915(i) services, your next step is to connect with a Care Coordinator:

- Along with your approval letter and this information sheet, you have received a list of agencies in your area who provide Care Coordination. Please choose one and contact them as soon as possible.
- Your Care Coordinator will work with you to develop your Person-Centered Plan of Care and help you connect with providers for the other 1915(i) services you need.

SERVICES AVAILABLE THROUGH 1915(i)

- **Care Coordination**: the person who helps you develop your plan and access the other services you need
- **Training and Supports for Unpaid Caregivers**: help for your caregiver to learn ways to support you
- **Community Transitional Services**: money to help move into your own home after living in a group home, treatment center, or nursing home
- **Benefits Planning**: help to learn about your benefits and how things change when you get a job
- **Non-Medical Transportation**: rides to activities or non-medical appointments in your community
- **Respite**: short term help for you while your caregiver can’t be there
- **Prevocational Training**: help for a short time so you can learn work or volunteer skills
- **Supported Education**: support to help you achieve your academic goals
- **Supported Employment**: help getting and keeping a job in your community
- **Housing Support**: help so you can be successful living in your own home
- **Family Peer Support**: people your family can connect with who also help support loved ones
- **Peer Support**: people you can connect with who have overcome challenges like yours
